EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 1, line 14, "a" between "obtain" and "executable" has been deleted and replaced with "an".

Allowable Subject Matter

2. Claims 1-12 are allowed.

3. The following is an examiner's statement of reasons for allowance:

With respect to claim 1, the closest prior art of record Robart et al. (WO 97/36430), discloses a method for implementing a communication over a telecommunication network, comprising the steps of initiating a request for a communication, the request identifying desired parameters and features for the desired communication, determining and constructing a proposed graph representing a proposed selection and arrangement of available filters and connections required to implement the desired communication, transmitting the proposed graph to the telecommunications network, the network analyzing the proposed graph and transmitting an executable graph to the hardware of the telecommunication network required to implement the desired communication. Robart fails to teach or fairly suggest wherein the network analyzing the proposed graph to: correct inconsistencies and/or

detected errors in the proposed graph and determine and add any additional filters and/or connections required to implement the desired communication on the network to obtain an executable graph, each hardware device of the telecommunication network that receives the executable graph determining from the executable graph, which filters the device is required to implement and how those filters are to be interconnected in the device and to the network, and each device of the telecommunication network executing the respective filters and connections to implement the desired communication in combination with all the limitations of claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
